

Subject: June Calendar ... and beyond

FCC Long Island Chapter Upcoming Schedule of Events

Greetings,

There are lots of opportunities coming up for Nassau and Suffolk FCC Families. The Long Island Chapter's calendar for June is chock full of gatherings. Our busy volunteers have even already gotten some September and October fun planned! Be sure to save the dates.

Whether you're parents of a teenager, toddler (or anywhere in between) or you're paperchasing, waiting, preparing to travel, or have just returned home - we've got lots of great ways for you to meet other families just like yours.

Coming Soon - we will soon be adding announcements about weekly playgroups. The dates and locations of each meeting will change. Suggestions are always welcome.

Be sure to visit our website www.fccli.org to find out more about these events, view slideshows, or borrow materials from our Lending Library and to find out what's new in our community.

Walk with us to Cure Lupus

June 10, 2007

Our wonderful **co-coordinator of FCC-LI, Lauren Schilling**, has recently been diagnosed with Lupus. In order to show Lauren and her family our support, we have formed a team to participate in a walk-a-thon through the Alliance for Lupus Research. . We are hoping to recruit as many FCC-LI members as we can to join us in supporting Lauren and this worthy cause.

If you are unable to walk with us on May 13th, perhaps you would consider making a donation and sponsoring our team? Please contact our Team Leader for the walk - Kristen Hayes at 631.608.8546, or via email at revvinevansmom@optonline.net

More information can be found by following the link provided below.
