PARENT TRAINING WORKSHOP

Dear Moms, Dads, Grandparents and Caregivers,

We cordially invite you to join us for this informative and educational workshop.

Presented by Joanna Wilkens, M.S.Ed.

Sponsored by Families with Children from China, Long Island Chapter

Joanna Wilkens is a parent coach, teacher and the founder of Peaceful Parents, Inc. She has extensive experience helping parents (of children with and without disabilities) address challenging behavior, difficulties at meal times, bed time, daily routines, social skills, and a variety of other concerns.

About the Workshop

Participants in this workshop will learn proactive, effective strategies to manage challenging behavior in young children. The workshop will provide the tools needed to effect lasting change, including: proactive strategies to help prevent the behavior from occurring in the first place; determining where the behavior is coming from; selecting appropriate strategies and using them effectively; minimizing the guilt and frustration that can be associated with disciplining your children. This workshop will be beneficial to those dealing with challenging behavior on a regular basis or just looking to refine their parenting techniques.

*This will be an adults-only workshop, and we are encouraging both Moms and Dads,
as well as Waiting Parents to attend!*

Coffee and cake will be served.

Please RSVP no later than 8/20 to
