

**Subject: Contribute Your Photos to this Year's CNY Slideshow**

**Contribute your family's photos to this year's  
"Then and Now" slide show for our annual  
Chinese New Year Celebration**

As you may know it has become an FCC-LI tradition, and a favorite part of our annual Chinese New Year celebration to re-cap the years gone by with a slide show of photos of our growing chapter's families.

If you would like photos of your family included in this year's compilation, **now** is the time to submit them. Whether baby photos from years gone by, or special milestones along the way, right up until today. What better way to share the smiles???

All entries must be made in digital format (.jpeg please) by Feb 15th  
Be sure to include the child(ren's) name, dates and family name

Be sure to save the March 9th celebration on your calendars and get your reservations in early.

Look forward to seeing you all at the event

Warm regards,
