

Subject: Sad News - Loss of our friend, Ed Mueller

It is with great sadness that we share with you, news of the passing of Ed Mueller.

A Message from Ed's wife Robin

Dear friends,
it is with the saddest heart that I am writing to tell you that Ed died last night (Saturday night) suddenly from a massive heart attack. I am just devastated, I love him so much and he was just such an amazing man. He loved driving all over the State of NY to help me meet our families and write their home studies. He was a volunteer EMT with our fire department, and the most amazing father to our seven children. I feel like my heart is breaking right inside my chest. Ed was truly the love of my life and he was just the most amazing man. Please pray for me and my kids to get through this. The wakes and funeral will be at the end of the week. Thank you for being such an incredible part of my life,
Robin

For those of you who did not have the pleasure of knowing Ed personally - he and his wife Robin reside in West Islip and are parents of 7 lovely children (6 bio, 1 adopted). They traveled in January 2007 to bring home their daughter Tori, who turned 2 years old this past December.

We will keep you posted on funeral arrangements, and how you might be able to offer help and support to the Mueller Family as more information becomes available.

Sincerely,

FCC Long Island
