FYI: Having gone this past November, I would like to offer a few tips. Although check in is at 4 pm, you can arrive by 12:30 and get into the park with a temporary pass, it is possible that your room will be ready, but don't count on it until 4pm. There are changing rooms and lockers so pack a separate swim bag. You don't need towels, they are provided, as well as life vests for the kids if needed. Same thing applies for the day of departure, you have to check out by 11am, so pack your car and keep a swim bag, get a locker and stay as long as you want at the park.

Food is expensive, like any amusement park. We brought food for all of our meals. You get a refrigerator, microwave, and coffee pot in your room. I used a small soft cooler for our lunches on the last day, and put it in my beach bag. The web site has a [Travelers Checklist](#) that might also be helpful. If you have any questions, please e-mail me.

Directions: New York City Area - From George Washington Bridge or Lincoln Tunnel take I-80 west (through New Jersey) go across the Delaware Water Gap Bridge into Pennsylvania. Proceed on I-80 west to Exit 298 (Scotrun). Turn left onto Route 611 and Great Wolf Lodge is on immediate left.
