

Subject: Earthquake Relief

In light of the horrible earthquake and suffering in China right now, Jayne and I have discussed whether or not we should have an FCC-LI Earthquake Relief Fund. Some of you emailed wondering what organization to donate to, as well. Because FCC-LI doesn't have access to using credit cards, except through Greater New York, we feel that the following two organizations will best utilize donations for the affected orphanages. FCC-Greater New York has also set up a fund as well, if you wish to donate through them. Since we still have the money earmarked from our raffle sale at Chinese New Year, we will absolutely donate some of that money to orphanages affected by the earthquake .

Please give whatever you can to help.

Sincerely,
Jayne and Kristen
Regional Co-Coordinator, FCC-LI
