We've Made Some Changes

www.FCCLI.org

**Celebrates its 2nd "Cyber" Anniversary
with a new style.**

Our regional chapter has seen many changes over the past few years. Our website has served as a "virtual" office for us, and it was time to tidy up. We've made some obvious changes both to style and content. As we continue to make the site more user friendly, we hope it will become a valuable resource for your family. Why not stop in and have a look around?

And remember - your suggestions, and submissions of links or photos are always welcome.

Please Note

There are a few pages still under construction.

As you navigate through our site, there will be some pages that are still waiting to be re-published. We appreciate your patience as we continue completing the upgrade. Priority has been placed on current and future events. Pages pertaining to past events will be completed over the course of the next few weeks.

Errors on Pages & Cached Information

If it appears that a page has not loaded incorrectly, please feel free to contact us - but please first try the "RELOAD" feature in your browser. Often default settings will load pages stored locally first. This will reset the page to its most current publication.

There will undoubtedly be some corrections required. Please e-mail us at info@fccli.org with any problems experience. Thanks so much.

Sincerely,

FCC Long Island
