

Subject: Our Family Roster - Another way to connect families

Dear FCC family,

As the FCC-LI family has grown, we have branched off into many new committees. There are many ways that you can volunteer for any committee and we urge you to do so--so that we can continue to offer our members all of the wonderful activities that we plan throughout the year. One of the new committees is the "Welcome Committee." The goal of this committee is to compile and information packet for new members, introducing them to FCC-LI and hopefully connecting them to other families who are also members.

As part of one committee, I am putting together a "Welcome Packet" for new families. One of the things we would like to include is a roster of families willing to offer support and friendship to new members. Our new members may be waiting for a child to come home, they may have just returned with a new child, or they may have had children from China for some time, but just joined our FCC community.

Whether you are waiting for your child to come home or if you have already traveled, we hope that you will want to be included in this roster!! Hopefully it will be a way to meet new friends, reconnect with old friends, or offer support to another family in our community.

If you would like your family included, please email the following information to Michele Mugavero at emilyhope7702@optonline.net

Please put FCC FAMILY ROSTER in the headline so that the content of the email is easily identified.
