

Subject: 2009 FCC-LI Calendar - Easier than Ever!

Thank you, FCC Long Island Families - your voices have been heard.

Jayne told me that a few of you spoke with her at the Waiting Families and General Meetings and said that the submission requirements were preventing you from submitting photos for the 2009 calendar. In order to make it easier on those who will be putting this all together, we followed the guidelines for the FCC Indiana From China With Love Calendar. But they're huge and we're not, so in discussing this with Jayne, we're going to change the submission requirements one last time in the hopes that it makes it easier for all of you to submit photos of your families for this year's calendar.

WE WANT YOU TO PARTICIPATE!!

(Yes, I'm shouting, because it's true and we want you to know it.)

And now that it's easy for you, we expect total participation!!

So...

You may now submit digital photographs via email as follows:

1. Send your digital photos to Teresa Baldinucci baldiny2@optonline.net

All digital photos must be taken at the HIGHEST RESOLUTION POSSIBLE on your digital camera. The digital image must be submitted as a JPEG with 300 pixels per inch resolution and a minimum size of 4;x 6 (approximately 1200 x 1800 pixels). Low resolution photos will not print well and cannot be used.

2. Even though you email a photo, you **MUST** mail (or scan and email) a signed FCC Long Island Parental Consent and Release (signed by both parents if applicable) and Photographer' s Consent and Release (in the case of professional photographs) . If other release forms are submitted, your photo may not be considered. Group shots must include a signed Release for each child. See below for details.

The deadline has been extended to October 19th, but that's as far as we can extend it and make the print deadline to have the calendars available for the holiday season. So please get your photos in this

week!!

Thanks in advance for your cooperation and participation.

Peace,
Teresa
