### \* About Possible Changes

This schedule is based on current availability of the space at St. Joseph's, Man-Li's regular work schedule, observed holidays, school closings, and other variables. Changes may have to be made during the year. We are always open to new opportunities for families enrolled, and additional special events could possibly be added. When changes are made, we will always provide as much advance notice as possible. Please check your e-mail messages regularly, as this is the easiest way for us to keep you posted.
