

Subject: Join us in Celebrating the Year of the Ox

Having trouble viewing this email? [Click here](#)

Dear Friends:
Ni Hao (Hello) from the Long Island Chapter of Families with Children from China!

On Sunday, March 1, 2009, the Long Island Chapter of FCC will host its largest event of the year as we bring in the Year of the Ox. This annual event, held on the campus of SUNY Stony Brook, will be attended by hundreds of members of our adoption community, as well as university students and professors, vendors, educators and performers, and faculty members from public schools throughout Nassau and Suffolk Counties. While it is a magnificent opportunity to expose our children, their families and teachers to some of the fascinating highlights of their Chinese Heritage, it will also serve as our single biggest fundraiser of the year.

We are looking forward to making 2009 a year in which we can not only continue our efforts, but significantly improve the resources and services we can provide to adoptive families. Won't you help us generate the funding necessary to provide speakers on the subjects of transracial adoption, adoption in our schools, workshops for our children and other emergent issues? In addition, you will be pleased and proud to know that a portion of all proceeds generated by this event will benefit The FCC-Long Island Orphanage Assistance Program. This program has resulted in the establishment of programs improving the lives of orphaned children throughout China including special surgeries, education, cleft palate bottles, foster care programs and other desperately needed services. Help us improve the quality of life for those children still residing in orphanages throughout China, particularly those with special needs. Together we can make a significant difference.

As a non-profit organization, completely dependent on our enthusiastic parent volunteers, and the generous contributions from our community, we are asking your help in realizing these goals. Please consider joining us as a Personal or Corporate Sponsor and helping us to continue these endeavors. Enclosed is a brief outline of ways in which you can help. We thank you for your time and consideration of our request.

Kindest Regards and Warmest Wishes,

Jayne Hirsch and Kristen Hayes
Regional Coordinators, FCC-LI
