

## Subject: Respecting Elder's Book - CCAA Publication for Adoptive Families

Dear FCC members,

Happy Chinese New Year!

We are pleased to offer you a special book published by the CCAA. The China Center for Adoption Affairs has created this very unique book specifically for parents who have adopted from China. This book is a wonderful way to share China's traditions and history with your entire family. There are over 40 stories told in Chinese tradition along with beautiful illustrations.

There are a limited number of books and all proceeds go directly to the CCAA. This book is in both Chinese and English.

We know adoptive families will enjoy this book for many generations and treasure it as a keepsake.

Warm Regards,

Great Wall China Adoption
