Meet Mei-Ling Hopgood for a book reading from her Memoir "LUCKY GIRL"

Lucky Girl is excellent summer reading for anyone (adults and children 12* and over) "who's ever had a family...or two." This riveting memoir is about one person's surprise reunion and relationship with the complicated Chinese family that gave her up for adoption when she was a baby. Spanning cultures and continents, Mei-Ling Hopgood's journey brings home a tale of joy and regret, hilarity, deep sadness, and great discovery, as she untangles the unlikely strands that formed her destiny. As a journalist, Ms. Hopgood pushes herself to address from within many of the complex and difficult questions parents and adolescents struggle with around self-identity, adoption and the complicated concept of family today.

Please join us for some great summer reading. This event will be appropriate for adoptive/waiting parents/grandparents and teens. Although encouraged, it will not be necessary for you to have read the book to attend

the event.
