Monkey King Friday, September 25 2009-Sunday, January 3, 2010

Meet the magical and endearing Monkey King as you explore a classic Chinese story, "A Journey to the West." A favorite in China for hundreds of years, children have learned this story from their grandparents, read it in books and watched Monkey's antics on television and film. His popularity has made him the star of opera stages and video games.

Visitors will have the chance to join the mischievous and brave Monkey King on his magical journey to a far-away land-a journey that finds him creating havoc in the Heavenly Palace, meeting Buddha and overcoming numerous challenges. You'll discover much about China's rich culture along the way!

Monkey King: A Story from China is part of the Asian Exhibit Initiative, funded by the Freeman Foundation and administered by the Association of Children's Museums. The exhibition was developed by the Children's Museum of Manhattan.

Local promotional support provided by Astoria Federal Savings.
