Hello to all of our Waiting Families. As we get ready to welcome so many new children into our FCC family, please email me if you have received your referral or are awaiting travel approval.

We would love to help welcome home your new child with welcome home cards and also house decorating when you return from China. If you do not email ME directly with permission, we will not send out your personal information (address, travel dates) to the group. We would hate for people to come home hoping for decorations to find there aren't any.

We also have the ability to call you or skype with you when you are in China if you would like. We would just need your hotel information (with exact dates) and your skype information. We will not sent this information to the group.

If you are friends with a LONG ISLAND FCC member and they are not on this list, PLEASE forward this email to them. I cant rely on word of mouth to keep the list updated.

At our last meeting we had a family with a new referral and since then we have had 3 new referrals (I believe). I am not sure I have all of the information for those families.

Things are happening folks.....and it is so exciting!!

Thanks for updating me!
