FCC is a volunteer organization, that welcomes and encourages member participation. If you have an idea for an event, or would like to work on a committee of volunteers to help with future programs please contact our chapter's regional co-ordinators [Beth Laxer-Limmer](#) or [Mandee Zapken](#).

While current paid membership in FCC-NY is not required to participate in our events, CURRENT PAID MEMBERS frequently receive discounted admission prices. Your annual membership dues enable FCC-NY to remain a secure, solvent, insured registered non-profit organization. Please help us to continue providing support, information, events, and educational programs by keeping your membership current. To join or renew membership visit www.fccny.org and select Long Island as your region.

If your family is unable to afford the cost of annual membership, financial assistance is available. Please contact Kathy Urbina at greaternyfcc@aol.com.
