

Subject: Summer BBQ - Cancelled

Sadly we are contacting you to let you know we are cancelling the FCCLI Summer BBQ planned for next Sunday. We had really been looking forward to it and had hoped it would be a great time for families to gather together. But, because we were not able to meet our budget with the number of people that signed up so far, we cannot expect to meet the expenses as planned. (We needed about 125 people to make it work, and only have about 70 signed up so far.) It is only fair to let those who signed up, and the Columbia Yo-Yo Team, know as soon as possible so that they are free to make other plans.

It is always a little discouraging when events don't work out as expected, but this one needs too many advance preparations to continue moving forward without enough participants. Many families have let us know that they really wanted to attend, but have conflicts with things like dance recitals, sports and family celebrations. Hopefully next time we can come up with a better plan. We'll pack up the crafts for now and save them for a future event. (They were pretty cute this year!)

If you purchased tickets online FCCNY will be issuing you a credit for the purchase. Checks received by mail will either be destroyed or returned as per your instructions.

Hopefully we'll see you soon.
