Regional Meeting and Advisory Board Elections Friday, September 24, 2010

Dear FCCLI members:

September 24th is the last board meeting for the existing 2009-2010 advisory board. We will be voting to either keep the existing board or vote in new board members. All are welcome and encouraged to attend this meeting.

The success of the future of FCCLI depends on all of its members. During this past transition year many of you stepped up to the plate to keep our wonderful organization up and running. We thank you for the time and effort you have given. Our numbers may have fallen but those that attended our events thoroughly enjoyed and benefited greatly.

We know that everybody is juggling crazy schedules but if you can find just a few hours to come to this meeting in September perhaps you will find a committee, an event, or some other aspect of our organization to participate in.

We are currently seeking volunteers to chair our Waiting Families and our Welcome Home committees. There will be plenty of other committees to join and to chair. Many committees have very little requirements and will take up very little time.

Whether you are a waiting family, new family, long time expired members, we know everyone has something to contribute. Please help us make FCC-LI a valuable resource for your family's future. If you are unable to attend but would like to share your comments, thoughts, suggestions, or to volunteer please feel free to contact us.

Current Board members are expected to attend. One committee chairperson is required with an updated report. **All members are welcome to attend.**
